

LOGIN INSTRUCTIONS

You can access ECT's Support Services from Ecosystems, or by following this link:
<http://www.ectincdata.com/support/index.php>.

The IT department should provide username and password. In general, username will be set to first initial name + last name (ex. jsmith = Joe Smith), and be case insensitive. Password will have no format, and be **case sensitive**.

The screenshot shows the ECT Support Services login page. At the top, there is a dark blue header with the ECT logo and the text "Environmental Consulting & Technology, Inc." on the left, and "Logged As:" on the right. Below the header is a navigation bar with links: Home, About, Work Requests, GIS Resources, CAD Resources, Reference Links, and Logout. The main content area is divided into two columns. The left column is titled "Sign In" and contains the text "Please login to access ECT Support Services." Below this are two input fields: "User Name" and "Password", followed by a "LOGIN" button and a link for "Forgot Password?". The right column is titled "Resources" and contains a vertical list of buttons: "Request Help", "Login Instructions", "Ecosystems", "Login", "Reset password", and "Change password".

Once logged in successfully, the following screen should appear, with full access to the system.

The screenshot shows the ECT Support Services dashboard after a successful login. The header and navigation bar are identical to the login page. The main content area is divided into two columns. The left column is titled "Support Services" and contains the text "This site serves as a repository location for tools and resources for ECT Support Services." Below this is a "Links" section with two buttons: "Testing Fulcrum" and "Available Link". The right column is titled "Resources" and contains a vertical list of buttons: "Request Help", "Login Instructions", "Ecosystems", "Login", "Reset password", and "Change password".

NOTE:

For optimal display of this website, we recommend using Internet Explorer (IE). Using other browsers (such as Chrome, Firefox) may display content incorrectly, especially at printing.

Reset Password:

If you have trouble accessing the Online Forms (forgot password), you can reset password at: <http://www.ectinidata.com/admin/index.php?page=reset.php> or, by clicking on the “Reset password” button in the Resources (side bar) menu.
